

Come Play With Us!

Your four legged canine friends at the Camden County Animal Shelter need your help fulfilling their holiday wish list. This is a very important year for them as it marks the year with the highest adoption rate ever at the Camden County Animal Shelter! Please consider making their dreams a reality by giving them new play areas. These play areas will give more dogs a chance to spend time outside of the shelter and allow them to interact with the volunteers. Exercise is essential for the dogs to lower stress levels during their stay at CCAS and ensure that they make happy and healthy pets!

This is our boy Frosty who is just waiting to be able to go out and play. Won't you give him a new play yard to be able to run around in? Frosty is a six year old Shepherd/Husky mix that has been at the shelter since September.

P.O. Box 475 • 125 Barnsboro Rd. • Blackwood NJ 08012
